The bedrooms in Corstorphine Hill House, Blackford Hill House and Castle Rock House will be white. The living rooms have a teal wall in these blocks. The floor-level colour remains the same as before. From September 2022, we aim to do the same colour palette for Arthur's Seat House and Craiglockhart Hill House.

Please note that there may be situations during your tenancy where you may be required to change room. We advise you to take this into consideration if you are planning on buying items to match your walls as we cannot guarantee the same colour if you are moved.
